SUN

Here Comes The Sun by the Beetles

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Here comes the sun, doo-doo-doo-doo, here comes the sun
It's all right,
It's all right

Don't Stop me Now by Queen

Tonight, I'm gonna have myself a real good time
I feel alive and the world I'll turn it inside out, yeah
And floating around in ecstasy
So don't stop me now don't stop me
'Cause I'm having a good time, having a good time

I'm a shooting star, leaping through the sky
Like a tiger defying the laws of gravity
I'm a racing car, passing by like Lady Godiva
I'm gonna go, go, go
There's no stopping me

I'm burnin' through the sky, yeah
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm traveling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time, just give me a call

Don't stop me now ('cause I'm having a good time)
Don't stop me now (yes, I'm havin' a good time)
I don't want to stop at all

I'm burnin' through the sky, yeah
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm traveling at the speed of light
I wanna make a supersonic woman of you

VENUS

Venus by Shocking Blue

A goddess on a mountain top
Was burning like a silver flame
The summit of beauty and love
And Venus was her name

She's got it
Yeah baby, she's got it
Well, I'm your Venus
I'm your fire
At your desire
Well, I'm your Venus
I'm your fire
At your desire

Her weapons were her crystal eyes
Making every man mad
Black as the dark night she was
Got what no one else had
She's got it
Yeah baby, she's got it
Well, I'm your Venus
I'm your fire
At your desire

Well, I'm your Venus
I'm your fire
At your desire
She's got it

Yeah baby, she's got it
Well, I'm your Venus
I'm your fire
At your desire
Well, I'm your Venus

EARTH

Major Tom by David Bowie

This is Major Tom to Ground Control
I'm stepping through the door
And I'm floating in a most peculiar way
Can I please get back inside? if I may
For here
Am I sitting in a tin can
Far above the world
Planet Earth is blue
And there's nothing I can do

This is Major Tom to Ground Control
I'm feeling very still
And I think my spaceship knows which way to go
Tell my wife I love her very much
She knows

Though I'm past one hundred thousand miles
I'm feeling very still
And I think my spaceship knows what I must do
And I think my life on Earth is nearly through

Ground Control to Major Tom
You're off your course
Direction's wrong
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you "Here am I sitting in tin can?
Far above the moon
Planet Earth is blue
And there's nothing I can do"

MARS - Life on Mars by David Bowie

It's a God-awful small affair
To the girl with the mousy hair
But her mummy is yelling no
And her daddy has told her to go

But her friend is nowhere to be seen
Now she walks through her sunken dream
To the seat with the clearest view
And she's hooked to the silver screen

But the film is a saddening bore
For she's lived it ten times or more
She could spit in the eyes of fools
As they ask her to focus on

Sailors fighting in the dance hall
Oh man, look at those cavemen go
It's the freakiest show
Take a look at the lawman
Beating up the wrong guy
Oh man, wonder if he'll ever know
He's in the best selling show
Is there life on Mars?

JUPITER

**Gustav Holst - The Planets - Jupiter, the Bringer of
Jollity**

SATURN

Time by Pink Floyd

Ticking away the moments that make up a dull day
Fritter and waste the hours in an offhand way.
Kicking around on a piece of ground in your home town
Waiting for someone or something to show you the way.

Tired of lying in the sunshine staying home to watch the rain.
You are young and life is long and there is time to kill today.
And then one day you find ten years have got behind you.
No one told you when to run, you missed the starting gun.

So you run and you run to catch up with the sun but it's sinking
Racing around to come up behind you again.
The sun is the same in a relative way but you're older,
Shorter of breath and one day closer to death.

Every year is getting shorter never seem to find the time.
Plans that either come to naught or half a page of scribbled lines
Hanging on in quiet desperation is the English way
The time is gone, the song is over,
Thought I'd something more to say.

Home Home again
I like to be here
When I can
When I come home
Cold and tired
It's good to warm my bones
Beside the fire
Far away
Across the field
Tolling on the iron bell
Calls the faithful to their knees
To hear the softly spoken magic spell

Neptune

Somewhere Beyond The Sea – Bobby Darin

Somewhere beyond the sea
Somewhere waiting for me
My lover stands on golden sands
And watches the ships that go sailin'

Somewhere beyond the sea
She's there watching for me
If I could fly like birds on high
Then straight to her arms
I'd go sailing

It's far beyond the stars
It's near beyond the moon
I know beyond a doubt
My heart will lead me there soon

We'll meet beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailing

I know beyond a doubt, ah
My heart will lead me there soon
We'll meet (I know we'll meet) beyond the shore
We'll kiss just as before

Happy we'll be beyond the sea
And never again I'll go sailing
No more sailing
So long sailing
Bye bye sailing
